This Saffier SC 8M Cabin, provides a large ergonomic cockpit and interior fit for 4 adults to sleep. The hull is composed of fibreglass and the deck and cabin are built up according to the sandwich principle with non-slip Esthec deck. The self-tacking jib and large cockpit make it perfect for one-handed sailing. The V-berth and port / starboard seats, with the backrests raised, provide very comfortable quarter berths. She has ample stowage under the seats and three interior lockers. The Yanmar 2YM15 engine, ropes, sails and navigation lights along with Raymarine instruments and a 2024 Garmin MFD complete this seaworthy and self-righting vessel. All this with the well-known sailing qualities of the Saffier yachts brand, built with the latest technologies.

The SC 8M Cabin is designed for people who like sailing close to the water instead of high on top, the feeling that you are at one with the elements. Experienced sailors downsizing along with Ex open-dinghy sailors who want to keep just that feeling, but with the comfort of overnight accommodation, a toilet and cooking facilities, a seaworthy cockpit, lots of space inside and a Yanmar diesel engine, will certainly appreciate this design.
